Afghan Youth Delegation’s Exposure Trip To Tajikistan

On 20th-Dec-08 YEP had its exposure visit to Tajikistan for the purpose of exchanging and sharing information, the exposure visit was leaded by the Deputy Minister of Youth Affairs and 9 young activists from 5 Provinces were part of this delegation.

The aim of the exposure visit to Tajikistan was to expose LYCs’ members, MCY Officers and YEP staff to successful Youth Organizations, programs and activities that could very well be linked and customized to the context here in Afghanistan. The exchange of ideas, experiences, process and thoughts for further cooperation, networking and collaboration at the regional level for youth in general and between two countries were evaluated very positive and fruitful. The exposure visit to Tajikistan provided a great opportunity to the visiting team from Afghanistan to establish a communication channel with the various youth institutions, Government and Non-Government, for long term collaboration on various issues related to the youth in Afghanistan and Tajikistan.

The Team visited various programs of youth and community development initiative in various areas of Tajikistan and learnt about adequately sufficient programs and tools about the youth work in both rural and urban areas.

Afghan youth also visited General Director of Youth, sport and tourism Committee of the republic of Tajikistan, Minister of information and culture, Ambassador of the Islamic Republic of Afghanistan in Dushanbe, Governor of Tursonzada Province, Sport clubs, University, Afghan refugees’ school and etc.. The exposure visit was widely broad casted by media such as Voice of America, First Network, National TV, Imroz radio, Youth weekly, Youth Voice) and best of all a Cooperative agreement was signed between two countries in Youth sector.

The 7-day Exposure Trip to Tajikistan for LYCs’ members, MCY officers and YEP staff of UN Habitat had the following objectives:

- Expose LYCs’ members MCY Officers and UNH Staff from Provinces and Kabul to learn and exchange views substantially on civic and non-formal education strategies among the youth and youth groups, NGOs, and organizations working on: i) Civic Engagement, ii) Advancing participation in local governance, iii) Increasing livelihood opportunities, and iv) The promotion of Art, Heritage and Culture through community services in both rural and urban areas of Tajikistan, To exchange ideas, processes, civic activities and experiences among different groups from Afghanistan and Tajikistan. The YEP staff will further study and evaluate the shared ideas and experiences in their application to the Afghan context, To set networks to continue the exchange of ideas and experiences and learn from each other.

Selection of appropriate organizations and destinations lies at the heart of a successful study tour. After a substantial round of consultations and discussions with a wide diversity of groups and individuals, the following organizations are selected to be visited during this exposure visit:

- Directory of Youth, Sports and Tourism, Tajikistan Youth Organization (TYO), Tursonzadah Youth Program (TYP), Meeting with the Ambassador of Afghanist an, Initiative for Reconstruction and Mobilization, Dushanbe Youth Center, University of Dushanbe and Dormitory, Handicraft Association of Tajik women, Help Refugees Organization NGO, Youth Palace, Family Planning Center NGO.

Youth Empowerment Program has been developed on the basis of the Afghan National Youth Strategy (ANYS) of the than Ministry of Youth Affairs and Consolidated with the current National Youth Program supported jointly by all UN Agencies and executed by the Ministry of Culture & Youth (MCY). Its aim is to empower Afghan girls and boys and strengthen the youth institutions in Afghanistan. Through the project, young women and men actively participate in democracy-building, development processes, and contribute to sustainable peace and solidarity in the country.
